

LINKS DAYCARE CENTRE
LTD

The Links Daycare Centre Ltd

Admission Policy

The Centre is open to any child aged from 2 – 12 years old. (We do find that most children have 'outgrown' Links by their last year at Junior School)

The early year's provision is available to any child aged from 2 years to 4 years, (dependent on availability of spaces.)

When the number of children on register reaches 50 per session, the maximum number according to our Ofsted Registration, we will draw up a waiting list.

When space becomes available, they will be offered to the parents according to their need.

The after school and play scheme provision operates on the same principle.
